Personal History

Name	EIJI				
Birthday	May 20th	Star Sign	Taurus		
Blood Type	Type-O	Height	120cm	Weight	20kg

The head of the straight men in this manga of idiots! Incredibly curious and is fascinated by rare things. Childhood friend of Gonzou. Very particular about food. Strongly dislikes tomatoes.

(HOBBIES) Roaming around haunted places.

Investigating. (SPECIAL ABILITIES) Being a

straight man. Stealthily leaving behind

vegetables from school lunches. Being liked

by his friends' moms for some reason.

(LATEST OBSESSION) Table-turning.

(COMMENT FROM EIJI HIMSELF): 'There are a lot

of characters in this manga dedicated to being the

funny, stupid guys. So playing straight man to them

all is honestly pretty tough at times.. Maybe I'll lay

off everyone starting next chapter. I'm tired.'

(FRIEND'S COMMENT): GONZOU: 'Back when we

were kids and Eiiji was getting bullied, I saved him. Is

he really being thankful enough for me doin' that?

Huh? TAKESHI: 'Eiiji has smooth, clear skin, so I think

he needs more UV rays! And eat your tomatoes!
